

PRODUCT SPECIFICATION

REF 323700 SALVEQUICK WOUND CLEANSER 20-P

1 GENERAL PRODUCT DESCRIPTION

Description

Sterile sachets made of non-woven tissues, which are saturated in a wound cleansing liquid, intended to be used for mechanical cleansing of minor wounds when clean tap water is not available.

The tissues are packed in a well-sealed foil, which prevents leakage and guarantees sterility. The sachets are packed in a box which fits in Cederroth First Aid stations.

Accessory: Cederroth First Aid stations, REF 4909xx

Storage information

Dry storage in room temperature. For maximum protection, keep the products in original package until use.
